Issue 5 Volume 1 December 16, 2016

Web Resources

Free photo editing program similar to PhotoShop

<https://pixlr.com/editor> - works great on Chromebooks - download the app from the web store.

Free Audio - record and mix

<https://soundation.com> - You can log in with a Google account. And be sure, if you are using a Chrome, choose Chrome Version instead of Flash in the Studio drop down menu when you login.

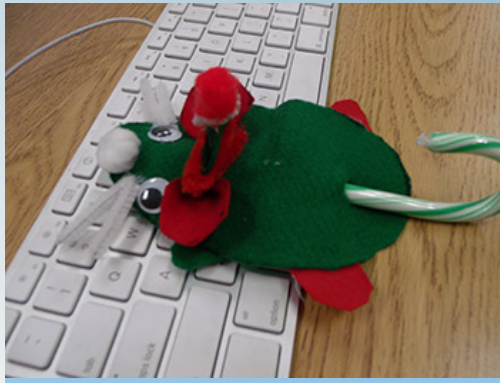

Free collaborative mind mapping

<https://mindomo.com> - You can add images, video and audio. Link PDF files and web pages. Share with others in your group for editing. Organize in a way that flows for you.

Lucidpress - Free

<https://lucidpress.com> - Free Newsletter, fliers and brochure layout. Integrates with Google Drive to save your work.
