The You I've Never Known by Ellen Hopkins

Ariel's mom disappeared when she was a baby. Ariel's father always told her that her mom abandoned her, but at the age of 17 her mother is back with a wild accusation that Ariel's father had kidnapped her.

Carve the Mark by Veronica Roth (Author of the Divergent Series)

On a planet where violence and vengeance rule, in a galaxy where some are favored by fate, everyone develops a currentgift, a unique power meant to shape the future. While most benefit from their currentgifts, Akos and Cyra do not—their gifts make them vulnerable to others' control. Can they reclaim their gifts, their fates, and their lives, and reset the balance of power in this world?

Searching for Sarah Rector: The Richest Black Girl In America by Tonya Bolden

Sarah Rector was once famously hailed as “the richest black girl in America.” Rector acquired her fortune at the age of eleven. This is both her story and that of children just like her: one filled with ups and downs amid bizarre goings-on and crimes perpetrated by greedy and corrupt adults. From a trove of primary documents, including court and census records and interviews with family members, the author pieces together the events of Sarah's life and the lives of those around her.
